

To whom it may concern:

I am writing this letter in recognition and recommendation of Amanda Abiassi and Elevate Management Group for their role in growing and developing our business over the past two years. In that time period, Squeezed has been featured in Chase Bank's national promotions, and ran many radio and television commercials in order to generate growth. I am proud to say that Squeezed is a success due in large to Amanda and her team.

Starting a business from the ground up is one of the hardest things I have ever faced. With limited financial resources at the beginning, I could not afford to make a mistake, as the company could have very well failed in its infancy. Those early decisions were critical, and were going to make or break the company. One of the decisions I made was to be sponsor at Elevate Management organized events. From this, Squeezed immediately received a direct boost in revenue due to:

- Elite networking access
 - Celebrity endorsements – Chita Craft, Whitney Mercilus, Brian Cushing
 - Business leaders – gained more distribution outlets
 - Models and brand ambassadors – still currently featured on our website banners, print marketing, and television.
- Philanthropic recognition
 - Events are widely covered and promoted
 - Use of exclusive event media content for company marketing
- Social media footprint
 - Bonus frequent posts by Elevate Management's extensive network

As Elevate Management has exceeded all of our expectations and goals, I will continue our relationship with them as an integral part of our advertising and marketing plan. Amanda and her team are a living testimony of people who attain strong networking and marketing success with ease, boost performance, and are an absolute joy to work with. It is an honor to know them and to have the opportunity to advocate on their behalf. They will most assuredly be an asset to any business seeking to grow and develop their business.

Please give Elevate Management every consideration in selecting another avenue to further success.

Sincerely,

David Ojobaro - Owner
Squeezed, LLC
