Re: Recommendation for Amanda Abiassi

I was initially introduced to Amanda Abiassi over four years ago and was impressed with her enthusiasm, communication skills and professional demeanor. During these four years, she consistently demonstrated all of these qualities and more, and I heartily endorse her for any Fundraising / Event Production and Non-Profit Management.

Amanda is reliable, dedicated, and eternally upbeat. Her ability to bring together marketing strategies, teams, and take on any and all roles to completely manage any Event is literally amazing. It is because of her expertise in this area that she consistently is asked by multiple groups and organizations to help plan Events. Amanda multitasks effectively and is able to handle high-volume workloads to complete all tasks ahead of schedule.

Of particular value to me was Amanda's team player mind-set, enthusiastic embrace of change, ability to lead and exceed everyone's expectations, and unwavering commitment to Excellence. I regularly receive comments from clients and friends that have had the honor and pleasure of attending Events that Amanda has put together commending Amanda on her outstanding level of service, professionalism and breath-taking Events.

Amanda is the best that I have had the honor and pleasure of working with and we continue to support all of her efforts for that very reason. If you are looking for a truly dedicated professional that will be able to "WOW" your expectations, then look no further. Amanda Abiassi has set the bar for all to follow in the Event Planning / Fundraising / Non-Profit arena.

Sincerely,

Timothy M Bedore
